Income Disclaimer

The information provided herein is for general informational purposes only and does not take into account your specific personal or financial circumstances. Under no circumstances should this presentation be interpreted as investment, legal, or financial advice, nor as a solicitation to engage in any financial activity.

Past performance does not guarantee future results and is provided for informational purposes only. Acquiring a membership in the DCT Network grants access to educational resources, optional products and services within our ecosystem, and participation in the daily rewards program, as made available to members.

A membership does not constitute an investment. Access to certain products and services may be subject to Know Your Customer (KYC) procedures and additional qualification requirements, and may not be available in all jurisdictions. Each membership includes specific benefits and durations and will expire as outlined at the time of purchase.

Membership access may be extended through the acquisition of additional memberships, at your sole discretion.

The DCT Network Membership operates on a best-efforts basis. As with any venture, there are inherent risks, including but not limited to: market and trading risks, system and transaction processing risks, cybersecurity risks, regulatory risks, business risks, and risks arising from individual actions or decisions. Market data, opinions, and recommendations are subject to change without notice.

The DCT Network does not promote its membership as a “get rich quick” scheme. Nothing in this presentation constitutes a recommendation to acquire any membership, product, or service. All decisions should be made independently and based on your own due diligence. If you are uncertain, you are strongly advised to consult with a qualified professional.

Your continued participation in this presentation, or viewing of any recording beyond this point, signifies your acceptance of the terms outlined above.

Physical or Electronic Presentations Disclaimer

Participation in this project, as with any other, involves risk. Under no circumstances should this presentation be construed as investment, financial, or legal advice.

The information is presented in general terms and does not consider your individual financial situation. The project operates on a best-efforts basis, and there is a risk of loss of all funds and potential rewards. Independent professional advice is recommended before making any decisions.

Every effort has been made to accurately represent the DCT Network Membership, its associated benefits, and the reward structure. However, no guarantees are made regarding income, rewards, or results.

Membership does not provide any guaranteed commission or financial return for referring new participants. While the membership may include an anticipated daily reward based on the value of the membership acquired, such rewards are not guaranteed, are subject to change, and are offered strictly on a best-efforts basis.

The examples provided may illustrate exceptional outcomes that are not typical and should not be interpreted as guarantees or expectations of similar results. Earnings, rewards, ranks, or achievements depend entirely on the individual's skills, effort, commitment, experience, and external market conditions.

As with any business, results may vary significantly.

By using the information, products, and services offered by the DCT Network, you acknowledge and agree that the company is not responsible or liable for any success or failure resulting directly or indirectly from your participation, membership, or use of its offerings.

Any reference to potential rewards in this presentation relates solely to the structure of the DCT Network membership plan. The DCT Service Agreement and applicable regulatory requirements strictly prohibit members or presenters from making any income guarantees or claims, as such statements may be considered misleading or unlawful.

Adnan Ahmed

Chief Executive Officer (CEO)

A seasoned entrepreneur and business leader with 20+ years of experience building and scaling multi-million-dollar ventures across international markets. Known for turning opportunities into sustainable growth, he combines strategic vision, innovation, and execution to create long-term value.
